Production Designer

Centro is seeking a production designer to work directly with our Art Director in the creation of Social media assets and print materials.

Centro is seeking a Production Designer to aid CENTRO's Art Director in the creation of graphic materials for Social Media, Publishing, Newsletters, and Brochures. The selected candidate will work with templates created by CENTRO's Art Director and modify them as needed following our brand guidelines. The Production Designer will report directly to Centro's Director of Arts and Culture.

Undergraduate/graduate majors in arts and graphic design programs strongly encouraged to apply

Compensation: based on experience, starting at \$20/hour, for 10-20 hours a week.

Qualifications/Requirements:

Required:

- Expert knowledge of Adobe Creative Suite, Figma, front-end web design, mail chimp templates, social media assets, Canva, and print design.

Preferred:

- Basic Animation skills, Knowledge of Aftereffects.
- Strong Interest in Puerto Rican Studies and passion for social justice.

Application Materials:

- **Cover letter** outlining qualifications, interests, and experience.
- **CV or Resumé**
- **Sample Work** (Pdfs, Image files, or url links)
